## Coverage

- This collection covers public sector organisations, including Commonwealth and state/territory government organisations, local government authorities, public corporations, universities, non-profit institutions controlled by the government, government marketing boards, legislative courts, municipal authorities and other statutory authorities. Organisations are classified to Level of Government by determining the institutional unit (i.e. Commonwealth, state or local government) deemed to exercise control. The estimates in this release may differ from other available information due to differences in coverage and/or the classification of organisations. For further details, refer to paragraphs 33-38 of the Methodology.
